## Support Floyd Central Football while shopping at Kroger!

Did you know that you can support our football program year-round by taking just a few moments to register your Kroger shopping card? That's right! Every purchase you make using your shopping rewards card could be earning the team a 4% rebate! If you would like to help, please register your Kroger card by:

### REGISTER ONLINE AT

<https://www.kroger.com/communityrewards>

Simply go online to the Kroger website and create an online account. You will need to enter your Kroger shopping card number and email address. (If you already utilize an online account, you simply need to log-in.)

Once on the site, click on the button that says "Enroll in the Community Rewards Program." ENTER "FCHS Football Booster 12174" in the space provided.

Currently, JayC Food Stores does not participate in the Kroger reward program, but we continue to request that they do so. Please call 502-423-4856 to add your voice to our request so that our fund-raising activities for the team benefit from your purchases with JayC.

**THANK YOU FOR YOUR CONTINUED SUPPORT!**
